

Name: _____

Age Jan. 1st: _____ **Year in this Project:** _____

	Number of Animals at Begin. of Project	Number of Animals at End of Project	Breed(s)	Value at Beginning of Project	Value at End of Project
Gilts					
Sows					
Boars					
Totals					

Describe your activity with your breeding stock this year: (Gilts and/or sows farrowed, number of times, number of young born, practices followed, number sold or added to stock, etc.)

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper appears to be a standard notebook page or a sheet of stationery. There is no handwriting or other markings on the page.

Gifts: _____

Sows: _____

Boars: _____

What costs did you have related to your breeding stock? (Vaccinations, medications, feed, vet bills, etc.)

Did you have any income from your breeding stock? Explain. _____

Describe the characteristics you were looking for when you chose animals to improve your breeding stock and why these traits were important to you?

If you worked with a gilt or sow this year, what things about her made you think she would be a good mother? (farrowing history, length, etc.)

SOW - LITTER/BREEDING RECORD

[illegible]
