## National 4-H Week is October 5-11: Beyond Ready

### A Note from Your 4-H Educator:

Happy Fall Everyone! A brand-new 4-H year is here! That means it's time to re-enroll and get ready for another season filled with learning, friendships, and growth. You will find more information about re-enrollment in this newsletter, please don't hesitate to reach out with any questions. Every Club should have completed and submitted their annual financial paperwork and begin working on their planning and charter materials so we can set a strong foundation for the year ahead.

This issue of the newsletter is full of information about exciting opportunities coming up for youth and families—be sure to look inside and mark your calendars!

I'd like to take a moment to continue to celebrate someone very special. Our amazing Marinette County Extension support staff member, Nancy Servais, is marking 50 years of dedicated service and will be celebrated by UW-Madison, Division of Extension this month. Nancy has been a steady and welcoming presence for Marinette County Extension and 4-H, her contributions have truly shaped the success of our programs. Please join me in congratulating and thanking her for this incredible milestone!

I also want to share an update about the 4-H Program staffing. A few months ago, due to some change in staffing in Oconto County, they took some time to analyze their priorities and made the decision to ensure that the Teen Court program remains strong and continues to thrive. To support this, the program has been placed under the Positive Youth Development Institute, and the Oconto County position has been expanded to a full-time role overseeing both Oconto County 4-H and Oconto County Teen Court. I will be staying in Oconto County assuming the expanded 1.0 role.

Marinette County will continue to support having a 0.5 4-H Positive Youth Development Educator position which is currently posted and will be filled as soon as possible. Until then, I will continue to oversee Marinette County's 4-H program. Larger dual-county and multi-county events will continue as planned, and I am excited to collaborate with the new educator once hired on cross-county programming where it makes sense.

It has been a true joy to work with the volunteers, members, and families of Marinette County 4-H. I want you to know how invested I am in this program and how much I care about each of you. Thank you for all you do to make 4-H strong in your county. I look forward to continuing to support you and your new educator during this time of transition and celebrating all the great things to come.

Here's to another fantastic 4-H year!

— With gratitude,

Aimee Elkins
