

Herbaceous Ornamental Pest Management Resources

The Horticulture Fact Sheets page has a specific diseases section for Herbaceous Ornamentals, with 27 publications found on it as of now, at: <https://pddc.wisc.edu/fact-sheet-listing-diseases-herbaceous-ornamental/>

The Insects tab on that page also has insects which affect these plants, at: <https://pddc.wisc.edu/fact-sheet-listing-insect/>

The official Extension Publications website has a 'Flowers and Gardens' tab with 30 publications on it, including pest management and general care:

<https://learningstore.extension.wisc.edu/collections/flowers-gardens>

Common Insects and Associated Pests of Bedding Plants: <https://ohioline.osu.edu/factsheet/ENT-65>

Garden Insects Listing, has 16 insect/insect groups with information from this link:
